

HARIMAN & Co

IP CONSULTANTS AND LAWYERS

Firm Profile

Intellectual Property Rights are the rights arising from the result of a thought that has resulted in a product or process that is useful for humans. In essence, IPR is the right to enjoy the economical benefits of an intellectual creation. Objects that protected in IPR are all creations arising from human intellectual abilities.

Hariman & Co is an Intellectual Property Rights (IPR) firm, registered in Indonesia, which provides one-stop services focusing on IPR protection by providing IP services such as Registration of Copyrights, Trademarks, Patents, Industrial Designs, Trade Secrets, Layout Design Circuit, Geographical Indications and Plant Variety Protection.

In addition, to meet the needs and interests of clients, Hariman & Co can also help the clients to prepare research, investigation and protection of the intellectual property rights belonging to the Client.

Intellectual Property is a legal recognition that provides an intellectual property right to regulate the use of ideas and expression that are created by the creator for a specific period of time. The term "intellectual property" shows that it is the intellectual result from the creator's mind, so the intellectual property rights can be protected by law.

In terms of legally protecting intellectual property rights belonging to the Client, Hariman Intellectual Property has a strong commitment to provide the best service. To protect and defend the rights of the clients with dignity and maintain the integrity and reputation of clients whether in or out of the court is our highest priority.

As a one-stop Intellectual Property Firm, our vision and mission is to provide comprehensive protection on intellectual property rights of clients.
